

Mineola Music & Art Parents Association <http://mineolamusicparent.weebly.com/>

The Music & Art Parents Association is here to support all our Fine Arts students. Our activities include fundraising, hospitality, publicity, and communication in support of all MHS fine arts programs. One important function of the MMAPA is to provide a supportive audience at concerts, parades, competitions, shows, and events.

MMAPA runs a variety of fundraisers throughout the year that DIRECTLY BENEFIT your child. Fundraisers are available to all fine art groups. A percentage of the funds raised will be placed into your student's individual account (IA) and that money can be used to pay for trips within the Fine Arts Department. All other funds are placed in a general Music & Art Parents fund and those monies are used to pay for a variety of services that benefit ALL fine art students. Please join us in supporting our students!
